

CITIZENS MEET NEW
Y.M.C.A. SECRETARYOpen House and Informal
Reception Were Held
Last Evening.

Open house was observed last evening at the Y. M. C. A. at which time an informal reception was tendered to A. J. Cash, the newly chosen secretary of the Fairmont Y. M. C. A. Between 150 and 200 people called at the building during the evening and inspected the social and pool and billiard rooms. Many prominent citizens met Mr. Cash and very favorably impressed with him.

The ladies' parlors were beautifully decorated with American flags and the colors of the allies. Selections were rendered on the Victrola and John Reed, here on a Navy leave of absence, and formerly in Y. M. C. A. work at the cantonments, sang several vocal numbers. Refreshments were served.

A. J. Cash in commenting upon the local association said: "It's a dandy. It is a building and equipment that would do credit to a city of 40,000 or 50,000 and an institution that Fairmont should feel proud of. I am sure the Y. M. C. A. here has great opportunities before it." These words coming from Mr. Cash who left a \$80,000 plant at Postville, O., speak well of the local association.

In outlining his plans Mr. Cash said that a bowling league will be formed at once and other activities will soon start. He has a line on a good live boys' work secretary, whose former home was in Ohio. This is necessitated because Edgar Worthington, who served in that capacity, is in the army and it is understood refused the post because he might not again take up Y. M. C. A. work.

Plans for the shop and factory meetings will soon be announced.

Elbert Wells and the Thanksgiving proclamation was read by Rev. C. C. Lawton. A most interesting and helpful sermon was delivered by Rev. Charles E. Eddy, pastor of the Palestine Baptist church. Elks Dance a Success.
One of the most enjoyable events of the season and one in which many guests participated was the Elks dance last evening at which members of the local lodge were hosts to their friends. The event was held in the spacious new apartment of the Elks in the Deveny building and was probably the most brilliant of any event held there, social events having been necessarily restricted by the activities since the Elks became occupants of these handsome quarters.

The guest list last night included many friends of the Elks who were entertained at dancing, music, for which was splendidly rendered by Barrett's orchestra and at cards, tables having been set about the parties for the entertainment of guests who did not want to dance, while others spent the hours in the billiard room. During an intermission a buffet lunch was served.

The patronesses of the event included Mesdames C. W. Watson, H. S. Lively, W. S. Haymond, E. B. Moore, George DeBolt, Edward Slack, M. E. Ashcraft, C. D. Barry, J. A. Clark, Frank Haas, Bernard McGinley, John

Spryer-Graff Wedding.
A quiet and pretty wedding was solemnized at the home of Mr. and Mrs. Walter L. Jenks in Monroe street on Wednesday afternoon at four o'clock when their sister, Miss Maude Phyllis Graff became the bride of Mr. Charles H. Spryer, of Pittsburgh. Rev. J. V. Koontz, pastor of the Presbyterian church, officiated at the ceremony, the living room in which the wedding took place was decorated with pink and white mums and ferns, the color scheme of pink and white being carried out in the dining room and reception hall. The bride's gown was of white chiffon cloth, ever shell pink satin, and she wore a corsage of sweetheart roses and valley lilies. After the ceremony a wedding dinner was served, after which Mr. and Mrs. Spryer left for Wichita, Tex., where their honeymoon will be spent with bride's parents. Owing to a recent bereavement in the groom's family there were no attendants, and only the immediate families were present. Mr. and Mrs. E. G. Spryer and Miss Helen Spryer, all of Pittsburgh, were the only out of town guests present. Mr. and Mrs. Spryer will return to Pittsburgh early in January, where they will reside.

Steal from Autos.
Owners of automobiles in Mannington are making frequent complaints of boys in and about the city, who are in the habit of stealing detached accessories and parts from the machines as soon as the owners are out of sight. Although the boys do not scruple to carry off anything portable, they seem to have a weakness for vibrator keys. Homewood is one of the places worst infested in this line. Auto owners are taking steps to break up the habit, and say they will do it promptly and effectively.
